“ *My condolences to the family of Anthony Mayes. At a time in my life, where i felt alone in a foreign land(US) as an International student from Nigeria, Anthony was like a guardian angel.From the day i met him at Walsh College up till the day I left the United States for my home country,. Anthony did all he could to make my stay pleasant and memorable. He still kept in touch all these years. My heart aches at learning of his demise. He was a good friend and will surely be missed. Rest in the bosom of the LORD, my friend.*

“ I was blessed not only to work with Anthony in the Detroit ODAR office, but to know him as a good friend. Such a pleasant, gentle man, he was a hard worker who was very easy to get along with and to work with. I will miss him much, but rejoice greatly that his soul is in Heaven with the Lord Jesus Christ forever, where there is no pain or sickness. God bless you all. You are all in my prayers for peace and comfort, as only Christ can give.
