“ To know Anthony was to love him!!!! He instantly became my brother and I became his sister 36 years ago when he fell in love with my BFF (sister) since 2nd grade, JBaby!!!! I was never greeted by Anthony with anything other than a smile on his face!!!! We’ve had some wonderful times over the past 36 years and he will be missed!!!! That laugh of his was epic!!!! I loved the way that he called me Annie Mae Cafe (Only JBaby and him were allowed to call me that) a big koolaide smile goes here!!!! I’m so grateful that GOD allowed me to share one last epic memory with him. 60 years on this earth was a blessing that I’m so grateful I did not miss. That special talk we had that day while we awaited the arrival of the rest of the guest will be cherished. Anthony reminded me that no distance could ever separate the love and connection that we all shared. He reminded me that we are Family!!!! He told me that he had lived an awesome life. He said that day the only scary part of leaving this earth was possibly leaving behind his beloved Janice!!!! Wow!!!! I’m tearing up just thinking about how very much he loved her. It was nothing fairy tale about their love, but when I tell you that he adored his wife, children and definitely them grandbabies, he was the epitome of loving. I pray that he knew that he was just as much or more than the love he displayed towards other. My brother reminded me of the time he wanted to go to church and I came to pick him up. JBaby was sick that day. We had an awesome time in the LORD!!!! Though Anthony is no longer here, his life and legacy will continue to grace this earth with all that he has left behind. I’m so very grateful that GOD allowed Anthony to become my brother. Love, Annie Mae Cafe

“ To my dearest brother Anthony
I will always remember your generosity towards my family. You were one of a kind. I remember when I first met you at your wife's birthday party, you greeted my sister and me with that great huge smile 😊 We shared so many good times together. I thank you so much for always being there for mom. I love you dearly. God loves you more and He does not want you to suffer anymore, this is why He has given you rest. Rest my brother with the Lord until He raises you on the last day as He promises. Peace. I love you tremendously, Your Sis, Mimi 🙏

“ I am saddened by the sudden loss of Anthony. He was the loving husband to my older sister and the father to my nieces and nephews. He was the life of any party. He was very good at fixing and repairing any machine. He will be greatly missed. I know that his family will continue to embrace his kindness and spirit. Life will never be the same without him but he would want for you all to prosper. Remember that we will all meet again. Anthony I know that you are resting in heaven. You are now painless and with GOD. You fought the battle to the end. Sincerely, Dr. Shelia R. Singleton

To my sweet and kind Gemini brother Anthony with your big smile and big heart. I love you always and now mama Sylvia has her son. I was happy that we were always able to share our birthday celebrations together and I'll always remember how you called me "Gemini Woman" 🥰 Love, Your Sis Bridgett
