“ *Anthony Walton was a good Sigma Chapter Brother of Omega Psi Phi. His many brothers and friends are already missing him. Gone but never forgotten. Brother Deolis Allen Jr.*

“ I am one of Tony's 1984 classmates, Howard University School of Law. We worked hard on the Law Journal. I will remember our HUSL days as well as his Face Book posts encouraging my work as a lawyer, turned poet. I will also remember Tony because he transitioned on my birthday, May 4th. As I process the message in his departure date, I am reminded life is a cycle. We come and we go. I pray for the experience of healing grief for Tony's family, fraternity brothers, HUSL Classmates, and all who mourn his transition to the ancestral realm. Tony will be missed.

Peace & Blessings

“ As a Fraternity Brother and Co-Worker, Anthony and I grew to have many astonishing conversation about a multitude of subjects. During the three years that I worked with Anthony, I found him to be a comical bruh with a wealth of knowledge. The workplace will not be the same with his absence. Anthony will be greatly missed. My prayers are extended to the entire family.

“ Anthony Everett:

I don't even know where to begin. You started off as my employer in 1989 (I think that was the year) and years later you were truly family and one of my best friends. The one person that could make me laugh so hard that my gut hurt. I will miss you, our having drinks and our hours long conversations. I am so angry with myself that I didn't bring you your peach cobbler 2 weeks ago. I OWE YOU my friend.

Tony I miss you already. I don't know what life is without you as I cant even remember back that far before I met you. Rest easy my friend. I will always think of you and remember and you will always forever be in my heart!!!

*Your Friend and Family Always,
April.*
