“ *Tee was always cool and up beat. I have many memories of us on Asbury Park. Now you are no longer in pain. You are with the Lord in Heaven. To the family may you find comfort and peace knowing he has gone home and his soul is at rest. My condolences to the Winfrey and Harvey family.*

“ We are going to miss your smiling face and all the good times we all shared with you and the family; There have been many times that you have gone out of your way to see that we were all happy and, you never complained about anything. Rest now in the garden of paradise.. You found what you were looking for and, that made you happy. Sending prayers to your family and as you already knew, we loved you all. Hoping that one day when you awake in Glory that you will be there to welcome us all home.
