

Mr. Antione Terry Thomas

August 19, 1966 - November 18, 2018

His Story:

Antione Terry Thomas was born on August 19, 1966 in Highland Park, MI. He was the middle child of three siblings, born to the late Mr. James Thomas and late Mrs. Henrietta Thomas.

Antione was affectionately known as "Terry" by his family and friends, as well as "ICE" by his Highland Park Family.

Antione graduated from the Highland Park Public School System. He continued his education at University of North Texas where he graduated with a degree in engineering. He was an Environmental Engineer and spent the last 20 years employed with the Wayne County Road Commission as a Project Supervisor.

Antione enjoyed fast cars, was an avid gun collector and a movie fanatic. He also loved Reggae music, reading, and was a connoisseur of men's fashion. He was also a Poker enthusiast, who could beat anyone at Texas Hold 'Em.

On Christmas Eve 1989, Antione met the love of his life, Sophia Holt, on a blind date, set up by his best-friend, Ernest. They knew that night, they would be together forever. They were united in holy matrimony and raised two beautiful girls, Lauren and Terrin.

Anyone who knew Antione can attest to his strength when it came to his battle with Cancer and Sickle Cell. He always kept a positive attitude and remained determined to fight. Most people didn't even know his struggle. He was a true fighter.

Antione departed this life on Sunday, November 18, 2018.

“ Terry is one of the happiest people I know. Blessed with a caring family and a positive outlook he decided to live on the bright side. There were times when you knew he was hurting but I think he told himself it was just temporary. We will miss seeing him at the track, just stopping by, or calling to see how things were going.
