“ Sitting here thinking about you nephew. I wish I can crack jokes with you about this lady doing my pedicure. I can only imagine the mess we would be talking right now and laughing so hard our cheeks hurt. She just told me all the blood left my right foot and went to my left. I'm trying to understand that physiology. SMH...I miss you very much. I don't know if you know but my friend Q passed. It's been a minute but never shared that with you. The both of you were very dear to my heart. Anyway nephew, I love you and miss you. Loving to to eternity! Auntie Toni 🤗💙
