“ *A father is his daughters first love and no doubt he was mine . It'll be 2 years in April since the last time I Time I talked to him . He wasn't able to respond but there was no need because I could feel what he wanted to say . Repetivily tell me he loved me , how proud he was , how Sorry he was he had to leave me , etc . He was such an incredible person even in death still has a impact on the many people he touched . Thank you so much daddy , I Love You now and forever -Pancake ❤️*
