My heart is truly broken to hear about the passing of my beloved friend, Tony. I just found out about his passing yesterday and am truly heartbroken of the news. I met Tony when I was 14 years old through his cousin and remained friends throughout the years. He was somebody who came to see about me and my daughter NO MATTER WHAT he was doing or who he was with, he ALWAYS come to see about me.

He was very caring and giving person who loved his sons dearly. I will truly miss him. Rest in peace, Tony

With the deepest of condolences from the Harris Family,
