“ *Cuz, I'm sorry you had to go. It will be hard on the family but they are strong. You are and will be missed for years to come. Such a bright young man full of promise. Life just sometimes isn't fair... in fact it sucks. I Thank GOD for your life.*

“ I remember my lil cuz fifteen years ago, trying to comfort me because I was crying. He said to me be strong everything going to be okay. I stop crying because really a 11 years old was telling me to be strong! That was funny. I'm glad I was able to tell him i love him and I can't wait to see him again. 🥺❤❤❤
