“ I remember the day my big sister brought you home. I was 11 years old. I had no idea that I would be like a second Mom to you at such a young age. I know life brought you so many twists, turns, trials and tribulations. You will be missed my firstborn nephew. That is without question. I will cherish our last bit of time we spent together and will do all I can to be supportive of your Mom, brother and children. May you rest in Love in the arms of the Most High with Uncle Dwight and Grandma...
