“ Whenever I think of my uncle Archey I think of the fun we had in the summer of 1990 when we visited Detroit. Detroit had just beaten Portland in the NBA finals and he sent me back to Portland with a Detroit Piston's championship t-shirt. I got a lot of flack in Portland every time I wore that shirt, but wore it I did.

“ Dear Ones,  
All of our Christian lives we spend walking with God. He follows us home every evening for many years. Then one day He says, "Lets stop at my place, its closer. For those family members left behind, grief ensues.  
Paul said, "To be absent from the body is to be present with The Lord." May the loss of these days be wrapped up in the expectation of knowing we will see Jesus in the end. Blessings on you and yours is our prayer.

“ Funny memory: I walked up to Uncle Archey one day on grandpa's farm (as a small child) and thought he was my dad. My sisters and I always thought they looked a lot alike when we were little girls. He looked down chuckling and said "I'm Uncle Archey!" : )  
I pray that God's strength and grace be with Aunt Joyce, Eric, Marcia, and Sarah and with all of the family
