“ A mother is a guardian angel who creates memories with her family.
When her duty is met, she returns to take her place in heaven.
Family, know that your mother lives on in each of you and the life
she lived while on earth will inspire others for years to come.
Praying that this time of deep loss will remind us to treasure the
moments we have today and to love one another as God loves each
of us. May you find comfort in the knowledge that many are holding
you in their hearts today and remembering along with you. With
sincere condolence,
Johnnie and Eunice Johnson and Family
