“ *With deep sympathy as you remember Mrs. McCampbell. When a love one dies we feel so helpless, but draw close to our creator, pour out your heart to him in prayer, because he feels your pain he cares for you. Thinking of you all.*

“ *I remember Aunt Mikki taught me how to dance in a Soul Train line when I was little. She taught me how to wear makeup. I truly loved her spirit and I will miss her very much...She was my Aunt Mikki and there will never be another one (with her fly self). My prayers go out to my family, especially Den...Love Always, Cookie, Nathan, Ray Jr. Ramon Sr. and Aunt Louise Stith*

“ *RIP Mikki, I was so sad to hearing about your passing. I had fond memories of us sitting on the porch playing bid whist after midnight on Lakewood, good times. You flew to NJ for my mother's funeral and you were a blessing to the family. Love you gurl!*

“ *Well,once again I'm counting down the days. Every opportunity I get to keep your memory light glowing I will do until I can't. I've said over and over,we have a large family, but only one "Mikki" I treasure and I'm so thankful for every opportunity we shared in person,phone call,text,whatever. All these beautiful things being shared about you represents who you were on earth. I only can hope they were shared with you while you were here. My late God-parents from Miami Florida recorded their first gold hit in the 50's titled 'Give Me My Flowers While I Yet Live,so I can see the beauty" You and I talked about that song many times,speaking kind words to a person while they can hear them !*

*My love for you will never cease. I will see you in the morning ! Love your cousin Andre' Atlanta GA*
