“ My deepest condolences to the Page family. Armann was more than a friend, he was family in every real sense of the word. He had a way of showing up, keeping me grounded, and reminding me what truly mattered. His words carried weight, his presence brought calm, and his heart carried love for everyone around him.

My sons and I will forever be grateful for the moments, the lessons, and the laughter we shared. Losing someone like him feels unreal, but his spirit and his truth will always stay with us.

Rest peacefully, Almond, you'll always be remembered with love and respect. 🕊️
