“ *I want to first send my love and condolences to the Hudson family. I grew up with them from elementary school until our adult years, and they have always treated my family as family. Armoni spirit was literally unmatched, you knew her personality without her even speaking, she was full of life!!. Armoni was so mature for her age yet so respectful, I loved her smile and calming laid back spirit. Armoni was a true diva at heart (she stayed with the latest lipgloss and a purse on her wrist, hair and nails were always on point). As I told Nina the boys will miss their mother's presence, but they will never miss the love she gave them because the Hudson family are the prime example of family togetherness. I miss those childhood days of us all sitting on the porch either talking or playing but I'm thankful I have those memories to cherish forever. To the Hudson family, especially mama Angie if you ever need me I will always be there. Love, Natasha McCain*

“ Sending my condolences to Armoni’s family she was one of the sweetest person I know. Every time I seen her in school she was always smiling and so nice. I started my business she use to tell me how she loved my candles and keep up the good work. She has been nothing but nice to me ever since she met in High School. God needed a Angel so he called her home. My heart breaks for her 3 sons 😭 continue to watch over your love ones. Praying so hard for her family 🙏🙏🙏

“ To the Hudson family:

My deepest sympathy goes out to you. Ever since I known Armoni even as a child she was always a sweet and humble spirit. Her place in this realm may be done. But I am sure she will shine above as she did here in this realm. Much love to you all and may you all find comfort with one another. Peace and Love
