“ *Ashley, you were one of my best friends. You always had my back when I was into stuff. You always told me not to fight, and not to worry about people when they were running off at their mouths. To just stay focused on my work and nothing else. When I found out you were leaving to go to a different school I lost it because you were basically all I had. Then I found out you were gone and that was even worse. It's so sad that your gone so soon, you were the best I ever had. Rest in peace best friend.*

“ *Ashley, you were my best friend. You were always there for me ever since we were little. We would talk everyday, laughing about the dumbest things. You were such a beautiful, talented, warm hearted woman. Im so happy that I was able to call you my best friend. Thank you for always bringing hope in my life. I hope you're having such a wonderful time with your NaNa. I love you so much. I will miss everything about you. But I know you'll watch over me. I hope your family is healthy and is doing well. Rest in peace Ashley, my best friend.*
