“ I was hurt and confused when I found out Most High called you home. It was a blessing that I had the opportunity to meet a True soldier here on earth. Habib Joe always ❤️ for your family!! I loved that about him. I learned a lot from June. Lid, Kaiya, Mill, Dara, Natalie, Darlene, Freddie and Queen Rosemary. My prayers to Most High that He will sustain you with strength and shalom. King Habib had a beautiful spirit and soul towards anyone that was in his presence! Only the Real one's recognized that... even Sid the cat recognized that 🙌 Sid kept that same energy just like Joe!

" A coward dies a 1000 X a soldier dies once"

Our Heavenly Abbah saw the hills were getting tough in the Land of captivity.

He wanted you to join your dad, son, brother and your other brothers that you grew up with here on 🌍 me and you always said Abbah Yah promised us the inheritance. It broke our hearts to loose you, and a part of us went with you. Thank you for the loving memories!

King Habib 💜

“ I am so sorry for your loss! I just saw and embraced Aswad a year ago at my parent’s house when he came to check on my brother after his health scare. I hadn’t seen him in forever and just thought back onto the pass as he matriculated through Einstein as my brother, Keith Garvin’s friend and classmate as well as my mother’s student. I appreciate your presence at my brother’s funeral service just two months ago. I can’t believe that now, you all have to lay Aswad to rest. Wish I was in Michigan to support you all. However, Keith will be awaiting him to welcome him and kick back with his friend in the beyond.

“ Hello everyone I'm Mr.Cloud Mar as my Family knows. My little brother Joe was a well founded soul I met in 1992. Through my sister's friend Rhkiya one of my sister's Natillie, Kamilla. He had an unique style with words and generosity. This man invited me through my sister Renera. Let's begin. By knowing Joe he had 2 other brothers I watched and observed. Khalid and Reggie. Khalid has become my brother for life also see I had lost 2 brothers one too incarnation and 1 to death. You see Joe replaced that by adding himself now I have 3 brothers. That is what generosity is. I didn't ask the Lord put us all together. But God did. Also great at music he was a genius at putting things together. Family. Remember that word Family. We had strength with each other every time we connected. He was a God fearing man but a soildier at heart. That brother would be there at any moment for my family also. Ending I would say this. I was blessed and honored to have him in my life, my circle. My brother and I love him as he journeys to the good life. God Bless Mar.
