“ I love my daddy so much and miss all his hugs and kisses. I sang for my daddy all the time, he loved listening to me sing. He would always fix anything for me that was broken. I remember putting make-up on my daddy and he thought it tickled, so silly. Although I'm only 9 years old, my daddy would want me to be strong and accomplish everything I dream of. I want to make my daddy proud. I will never forget you and I miss you so much, daddy, you live on within me. I love you forever and always daddy. Love your princess, Attaya Moorlet.
