“ *Words do not hold enough meanings to describe this one of a kind human being. In my book of highlights, she is in the top 3, and will forever be. Last night me and Corday went to a room, that you and him shared in Alabama, he showed me a passage he wrote for you, we cried ourselves to sleep. No time to focus on what we could have done, but remembering all the great times we all shared. OMG it is not many more people left life you, blatantly kind, and AWESOME! The day will come when you will say Caryn why Corday don't have on matching socks and I will say he did that his self*
