“ *Ava's organization WARD provided volunteers to my organization. I remember Ava as sarcastic, funny and so cheerful, I loved talking to her and worried about her traveling and being out by herself. Ava was fearless and I am saddened to find out that she has past on, I will truly miss her. Rest in peace Ava your presence will be missed.... Katrina*

“ Sending my prayer and healing thoughts to the Tinsley family. Ava and I have known each other since junior high. We graduated from Central HS together, and our friendship continues to grow at Eastern Michigan University. I feel a great sense of loss, my world seems a little darker since Ava drifted away. She had a smile and laughter, which commanded the room and people were naturally drawn to her spirit and authenticity. I will miss my dear friend of 40 plus years, however I find solace in knowing that all of Ava's suffering is over, and she is forever rejoicing in God's presence. This is one of my favorite photos of Ava taken in the 80's during college. Love and light.
