“ I was so sorry to read of the lost of your dear loved one. It seems so unfair that death should have the power to take away someone we love. And when it happens, the thought of never again being able to talk, to laugh with, or hold your loved one can be most difficult to bear. Many are resting now, until their name is called in the “resurrection”. Oh yes, Jesus Christ boldly promised: “The hour is coming in which all those in the memorial tombs will hear his [Jesus’] voice and come out.” (John 5:21, 28, 29) Since Jesus made the promise, it is safe to assume that he is willing and able to do so. His father, Almighty God has promised us at Revelation 21:4, “he will wipe out every tear from their eyes and Death will be no more.....” May you find comfort and faith in these scriptures for he “cannot lie.”

“ *Foot Prints in the Sand*”

*One night I dreamed I was walking along the beach with the Lord.
Many scenes from my life flashed across the sky.
In each scene I noticed footprints in the sand.
Sometimes there were two sets of footprints,
other times there were one set of footprints.*

*This bothered me because I noticed
that during the low periods of my life,
when I was suffering from
anguish, sorrow or defeat,
I could see only one set of footprints.*

*So I said to the Lord,
'You promised me Lord,
that if I followed you,
you would walk with me always.
But I have noticed that during the most trying periods of my life
there have only been one set of footprints in the sand.
Why, when I needed you most, you have not been there for me?'*

*The Lord replied,
'The times when you have seen only one set of footprints in the
sand,
is when I carried you.'*

“ To The Family: May I offer my condolences to you on the loss of your precious loved one, Baby Blayr. Death at any age is an enemy of mankind, but especially when one is so young for it robs the family of its best and leaves the survivors devastated! However, our Loving Creator promises to destroy death...forever (1 Corinthians 15:26), and He promises us that we can see our dead loved ones again by means of a resurrection (John 5:28, 29).Sickness, Death and all things that causes us pain will be done away with forever!! I realize that at this moment, words can offer little comfort. But, I hope in the days ahead that you will read these Scriptures and think about the wonderful hope that God offers...to see our loved ones again. May this help to ease your pain and comfort your heart knowing that Our Loving God will do all that He has promised for he cannot lie (Titus 1:2) My deepest sympathy to you.##imported-begin##Bobbie Smith##imported-end##
