“ *It breaks my heart when I think about what you are dealing with, and I hate that we couldn't be there to give you our love and support. Although we only met Saviour once, he was still part of our marvelous family and he will truly be missed. It is our prayer that you find peace and comfort soon. We Love You Always, we send our love prayers and support, and hope to see you soon.*

“ *Black and Jen,*

*We are so sorry to hear about the tragic loss of your son. We hope that soon we will see him again in the new system. Our thoughts and prayers are with you guys.*

*I only seen saviour once in short life, and that was when we had the family back in November. He was a very sweet baby, and I know he will be greatly missed by the entire family. Our hearts really go out to you, because the death of a child is truly heart renching. We hope that in time you'll be comforted by words of a beautiful hope of life once again for Saviour.*

*We love you deeply and hope to see you soon, to wrap our arms around you to let you know of the love that we have for you and your family.*
