“ *I worked with Banilla at Central Operations. She treated me like a sister, so she was my sister. She would do anything for you. She has been there for me throughout a lot of sadness in my life. I wish I could be there but my husband is being scheduled for surgery. I'm so glad I got to talk with her recently. I love you Miss B and you will forever be in my heart. Till we meet again, rest in Heaven.*
