“ *I miss my grandmother so much, I truly regret never spending much time with her. They say you never know what you have until it's gone and you have to give people their flowers while they can still smell them. I love you dearly Grandma!! Continue to rest!!*

“ *We know this must be a very difficult and demanding time for you all. Please accept our deepest sympathy. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. With caring thoughts.*
