“ Barb, you were a friend when there were no others. We enjoyed great times talking. I remember one day when you came by the house and my son started selling you stuff in his room. You bought everything he tried to sell. You were laughing. That was a great memory for me. Mary Lynn and Brent were great kids. Mary Lynn is still the responsible kind and personable adult we knew she would be.

I'm sorry to miss the chance to say so long to you (since I'm 80 and live on the other side of the state) but my heart is there.

I'm healthy now but I'll meet you on the other side. Thanks for being a great friend..

To all the family I pray Barbs warmth will comfort you as God guides you through this time of transition.

“ To Mary Lynn and the entire Drain family I am praying that God continues to strengthen and comfort you. I have some very fond memories of Mrs. Drain when I was in highschool and coming over to visit Mary. She was always so sweet and active in the community, and I use to say to myself I hope that I am as busy and involved like she was when I got older. Well, fast forward almost 30 years I am still trying to be the kind of woman that she was. You will be truly missed.

Love you,
Christina Murray & Family

“ To Mary, Joan and the Drain Family you have my deepest sympathy. Jean and I went a long way back. I was so saddened to hear of her illness. When i visited her she knew me and that I know. May God continue to bless you all and Jean will forever be in my heart. The peace of Christ be with you all. Love, Clarice "Bunny" (Bailey) Jackson.
