“ I was sadden to hear about Barb's passing. She was a big part of my life since I started at the Allen Park VA. She has taken me under her wing and molded me to what I am today and I am so appreciative of her. She was there when I finally opened up as being gay and had help me along the way. Barb, you will always have a place in my heart and I will truly miss you. See you in heaven my dear friend.

Love,
Fred Bridgeman-Buckler

“ *Ms. Duncan was a valued member of our health care team during my time at the VA Hospital in Detroit. She was cheerful, efficient, flexible, and professional, even when under pressure, and made patient and their families and her staff colleagues feel comfortable. She was generous with her time, and supported the community outreach efforts that we shared with the medical school and medical center, the city and state governments, faith institutions, local and pharmaceutical industries, and health professionals organizations. Barbara was a bright light in the Detroit VA climate. I will miss her, as will her friends and colleagues.*
