“ *Barbara Espy was a valued colleague at work, a trusted adviser and a friend. She served more than forty years at Wayne State University, ten of which she worked closely with me as Secretary to the Dean of the School of Business Administration. Barbara was detail-oriented and capable of administering large projects. She was a wonderful writer and always ready to share a laugh.*

Barbara had a gift for sensing people's character. Being a friend of Barbara was an honor and it was always a pleasure.
