“ My condolences to all the family, when everyone is gone back to their respective homes and the phones have stopped ringing, please let the prayers keep coming because those closer , like the sisters, brother, nieces nephews and others who talked to her daily will miss her even more.

Cousin Barbara was a strong presence and she contributed greatly to all of us. She was a "woman" of wisdom and courage ". This all stood strong as she stood her ground against her illness. Rest in heaven cous. Give our love to all the family that has gone before you. I love you.

Love from the Simmons and Malden family in Boston Ma.
