“ *I was so saddened to hear of the passing of my dear friend, confidant, and the best boss and friend of my life. She was a very smart and intelligent woman who inspired me to reach for the stars. She was very instrumental in encouraging me to attend Nursing School . and finishing, We had so many wonderful times on and off of Labor and Delivery and she always treated me with kindness and respect. As she makes this final journey. I hope her family takes pride in knowing how loved and respected she was as a beloved.mentor and a good friend. Rest now my friend your job is finished and you did a wonderful job. Love You Cassandra Michelle Hughes L&D*
