“ *I just wanted to take the time to say I'm really sorry for loosing grandma Gadley! She is indeed in a much better place and with that being said trust me I know it's easier said than done but God is placing his arms around you and the Gadley family letting you know it will be ok. Grandma may not be here but her spirit her ambitiously live and free spirit lives on. I'm sure when we think of her all the precious memories we have with her she will whisper in our ear and say I'm doing ok and I'm here with you! I love you!*
