“ To my dearest family, some things I'd like to say...

but first of all, to let you know, that I arrived okay.

I'm writing this from heaven. Here I dwell with God above.

Here, there's no more tears of sadness; here is just eternal love.

Please do not be unhappy just because I'm out of sight.

Remember that I'm with you every morning, noon and night.

That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, "I welcome you."

It's good to have you back again; you were missed while you were gone.

As for your dearest family, they'll be here later on.

I need you here badly; you're part of my plan.

There's so much that we have to do, to help our mortal man.

God gave me a list of things, that he wished for me to do.

And foremost on the list, was to watch and care for you.

And when you lie in bed at night, the day's chores put to flight.

God and I are closest to you....in the middle of the night.

When you think of my life on earth, and all those loving years

because you are only human, they are bound to bring you tears.

But do not be afraid to cry; it does relieve the pain.

Remember there would be no flowers, unless there was some rain.

I wish that I could tell you all that God has planned.

But if I were to tell you, you wouldn't understand.

But one thing is for certain, though my life on earth is o'er.

I'm closer to you now, than I ever was before.

There are many rocky roads ahead of you and many hills to climb; but together we can do it by taking one day at a time.

It was always my philosophy and I'd like it for you too...

that as you give unto the world, the world will give to you.

*If you can help somebody who's in sorrow and pain,
then you can say to God at night....."My day was not in
vain*

*And now I am contented....that my life has been worthwhile,
knowing as I passed along the way, I made somebody smile.*

*So if you meet somebody who is sad and feeling low,
just lend a hand to pick him up, as on your way you go.
When you're walking down the street, and you've got me on your
mind;*

*I'm walking in your footsteps only half a step behind
And when it's time for you to go.... from that body to be free,
remember you're not going.....you're coming here to me*

*When I think about my Dearest Cousin, Barbara, these are the Word
she would say.*

“ *I did not know Mrs. Barbara A. Harris. However, I do know her brother Anthony. If she is anything similar to Anthony; she was a very respectable, and humble individual. I know that the Lord Jesus Christ will help the family through such a difficult time. Simply because my sister was buried on Feb 25, 2013 and her name was Barbara. Remember: EARTH HAS NO SORROW THAT HEAVEN CANNOT HEAL. Be blessed Smith family. Sincerely, the Jackson, Early, Davis, Artis, and Wells family.*

I did not know Mrs. Barbara Ann Harris. However, I know her brother Anthony and his wife (Beverly); if Barbara was anything similar to these two people then she was a very respectable, humble, and giving individual. In addition, there is a connection among the Harris/Smith and Jackson families; we buried my third oldest sister on Feb 25, 2013. Her name was also Barbara and we were very close just as Anthony was to his sister. I want the family to know that EARTH has NO sorrow that HEAVEN CANNOT HEAL. Anthony also shared a story with me that Barbara loved "Angels". Well... Barbara is now sitting with hundreds of Angels. May the good Lord Bless the Mayes and Harris families.

“ *Sleep My Sister*

*I wish you sweet sleep, my sister dear.
Although there's so much that you've left bare
I hate that you had to endure such pain
On my mind, your saddened eyes have left a
stain.*

*I want to know what crossed your mind
Unspoken words you've left behind
Undone things we'll never do
No sharing thoughts you never knew.*

*A peace has fallen upon your head
A taste of sorrow we have been fed
It really is like a hole in our lives
One swiftly dug but carved out by knives.*

*But I have hope that those sleeping will rise
The Bible says that God will open their eyes.
No suffering, sickness, yes not even pain,
Those who did good, eternal life they'll gain.*

*So... sleep on my sister, sleep tight
For now with you the sky is night.
But after night will come daybreak
Therefore I will wait hoping to see you awake.*

“ *Big Sis I Love You*
My dear Big Sis, you are the greatest there is,
And amazing in everyway.
I greatly admire and look up to you,
Each and every day.

You are always showing how much you care,
From your heart that is filled with love.
You are a beautiful Angel,
Sent from the heavens above.

I am the luckiest Bro in the world,
To have grown up next to you.
We played and laughed and had fun together,
A great bond that has always stayed true.

Big Sis you are always in my heart & thoughts,
And I am always sending you a hug and kiss.
You are my world and I love you so much,
Always and Forever... Your Lil' Bro.
Love Bro. Tony
