“ *Barbara (B.J) I will miss you terribly, this was so unexpected, we just talked last week, I will miss your phone calls and our talks on the phone for hours, you have always had a heart of gold and a true friend indeed, always checking on me. we have known each other since 8th grade. Remembering how we would always hang out at your house after school with your family and on the weekends, you had the fun house. Barbara you are safe in the Lords arms now and in my heart.... Fly high my Angel. 🌹 I love you and will definitely miss you, please continue to check on me.... my condolences, thoughts and prayers go out to the entire family. 🥹💖*

“ To Barbara (BJ) family I'm glad to have you as a friend and family. Some of my fondest memories as a teenager is what you and I shared when you and I were teens coming up. I remember our family where up all night partying and you stayed over my house and we where hungry at 3 am in morning and you put on some hot dogs I said I'm not going to watch them you said I will watch them. I said ok BJ. We both fell asleep and woke up to whole house smoked up man did my mom lets us have it. When I spend night at your mom's house staying up all night talking and being silly and singing along with Nita and Christina. You rest and one day the Bible says at revelation chapter 21 verse 4 that death, pain be no more. Love you❤️. Dewayne you stay strong and I'm praying for you all to have comfort to get through this time of grieving.
