Delight thyself also in the Lord: and He shall give thee the desires of thine heart. —Psalm 37:4

Barbara had a passion for caring for others, and was always pursuing the opportunity to take classes to become a care giver, so that she could take care of people in their home.

She had a memory that was unbelievable, she could remember any and everything and anybody, if you told her something, you had better stick to it, if not she would remind you and tell you what you said. Barbara was very sharp and witty.
