“ *Even though we don't understand why Barb was taken so suddenly, we pray for peace and strength for Mike, Keith and Barb's family during these hardest of times. Barb had a beautiful soul and I will always remember how much fun she was to golf with and celebrate our birthdays with. The 5 of us ate, drank and talked about everything under the sun, simply enjoying each other's company. Barb will always be missed by me and the "Birthday Girls".*

“ Thanks Ma, for your unconditional love and support and thoughtful words of encouragement for every major decision in my life. Thank you for preparing me for the world and how to deal with life with a kind heart but a watchful eye. I love you and will continue to make sure I live up to your expectations.

“ Whenever I think of Aunt Barbara, I think of Thanksgiving. In our family, Thanksgiving was like a holiday movie from Wednesday to Sunday. My favorite memory of Aunt Barbara is waking up the Friday after Thanksgiving and seeing her sitting there with Grandma at the dining room table, talking about current events and putting the Kemper twist on their analysis. Aunt Barbara was so funny and smart that sitting there listening to them was like an event. I miss those days now and think of them often around the holiday. Aunt Barbara was Aunt Barbara from day one, which wasn't exactly common in the Kemper family. Most Aunts and Uncles who married into the family had a "Mr.", or "Miss" in front of their name and that was their formal title. Not Aunt Barbara! The boys(Derek, Darnell and myself) immediately started calling her Aunt Barbara which speaks volumes to the warmth and loving nature of this beautiful queen. Rest in Power Queen. You will always be remembered and respected.
