“ *You must know how deeply saddened I was over your loss. Your mother were dear friend for many years. I will miss her very much. I could always rely on her whenever I needed help during our time at DSS. She was always willing to help me and others. I came to trust her judgement and wisdom as well her advice. She was a great friend and I know our retirees gathering won't be the same without her. She has left us with so many wonderful memories. In Deep Sorrow.....Delores Brown*

“ *I am so sorry to hear of Barbara's passing. She was a wonderful person. When we retired in 2002, she gave me a star ornament, with my name and 2002 engraved on it. It was such a thoughtful gesture. I still have it displayed in my curio cabinet.
Barb, you are an angel and a star in heaven. RIP.
