“ My sincere prayers and condolences to Ms. Maddox and her entire family. Ms. Maddox was one of the pillars of the Jeffries Projects. She was a Mom that took care of all the families and kids in the projects. Her home was always welcome to anyone all times of the day or night and she was happy to see you. I spent so much time at the Maddox’s home I felt like I lived there. Growing up Alice and I were best friends and Ms.’s Maddox home was always open and you knew you were welcome and loved. I learned how to shoot pool in her basement, eat the best cakes and food ever, play cards and have the best fun a kid could have. I will never forget Ms. Maddox for her kindness, candor, grace, love and extreme love for her family. May GOD put his loving arms around her and welcome this wonderful woman, Mother, Sister, Auntie, and friend into his Holy Kingdom, so she may continue to shine her light on her family and friends. My prayers and Blessings to all of you. Love and Light always, Tish Inge

“ Miss Maddox was my second mom growing up in the projects. She was so sweet and kind and if you didn't get cussed out by her, she didn't love you lol she opened up her home to everybody. She had an infectious laugh that I still can hear today and the most beautiful skin, I once told her when I was a teenager that I was going on a diet and I was only eating rice and asked her to cook me some. She laughed at me. He told me you can't lose weight by just eating rice but she cooked me a small pot anyway,,that's the kind of person she was , if she had it, she'll give it to you...rest well, Miss Barbara Jean, and say hello to all the mothers of the projects include mines. My deepest and heartfelt condolences go out to the Maddox family. Your mother was truly loved and so are you stay strong and may God give you strength and lift you up through this difficult time and beyond...I love you all...continue to smile because it doesn't cost a thang...😊🙏🙏 RIH
