“ *My deepest condolences go out to the family of Barbara Rembert. I've known Barbara every since I was a teenager in the 80's. So for over 30 years, Barbara has been a part of my family. I have very fond memories of Barbara, one of when she caught me doing something I wasn't supposed to be doing years ago. I'll never forget the reaction and I'll always smile when I think of Barbara. She was a kind spirit and I'm glad she was a part of my life.*
