

## Mrs. Barbara Jean Stuckey

July 2, 1940 - October 18, 2015

Going Home Celebration For Barbara Jean Stuckey:

Perhaps they are not stars but rather opening in Heaven, where the love of our lost ones pours through and shines down upon us to let us know they are happy.

-Inspired by an Eskimo Legend

Barbara Jean Stuckey was born July 2, 1940 in Detroit, Michigan. She was the second of four daughters born to the union of Willie Cheeves and Georgia Edna Archie Cheeves. She accepted Christ at an early age.

Barbara attended the Detroit Public Schools and graduated from Southeastern High School. After high school, Barbara was employed by the Detroit Public Schools System (DPS) in the School Center Building and worked her way up the ranks until she retired in 2010. Barbara also worked and traveled as a Mary Kay representative and House of Lloyds distributor and was able to navigate each field successfully.

Barbara met the love of her life, Houston Stuckey, in 1968. They were joined in holy matrimony in 1974. Barbara and Houston, affectionately known as "Man," were inseparable until Man's death in 2013. Although there were no children born to this union, they were both actively involved in the activities of their many nieces, nephews and godchildren. Barbara loved her family and

was always eager to open her home and extend her hospitality to most anyone. Whether it was church participation, family activities or work, Barbara went over and above the call of duty.

“ *So sorry for your loss. Barbara was a fine, decent, caring person. I loved her from the time we met in middle school. She always did whatever was in her power to help friends, family, and the church*

“ *Barbara Stuckey worked as a secretary in the Adult Education program at Mackenzie High School for many years before and after I was the Principal. She was truly a lovely person always willing to help in any possible way. Because she also worked full time in Payroll at the School Center Building, she was a "godsend" for the many employees whose paychecks were often not available on time or in the correct amounts. Mrs. Stuckey was the go to person to correct the situation. I had the privilege of having lunch with her and several others from Mackenzie last summer. It was wonderful seeing her after more than 20 years had passed. She virtually looked the same and it was though it was yesterday. I know I can speak for many in saying we will miss this wonderful woman. She was really special*
