November 12, 1933 - October 5, 2016

Celebrating The Life Of Beatrice Dent:

Beatrice (Bee), was born November 12, 1933 in Eutaw, Alabama to the union of the late Henry Dunn and Eliza Horton. She accepted Christ at an early age and attended college studying early child education and later on nursing. She relocated to Detroit, Michigan in her early twenties where she met the love of her life, Robert Dent Jr. They were joined in holy matrimony for 60 years and to this union, four children were born. Bee retired from Northville Regional Psychiatric Hospital where she worked as a clinical nurse.

Beatrice was a doting wife, mother, and grandmother. She had a gentle soul and was the most loving person. She also had a great sense of humor and was a phenomenal cook; on any Sunday you would find her in the kitchen preparing Sunday dinner. Bee enjoyed family fellowship and most of all spending time with her grandchildren. She celebrated her family and loved holidays and birthdays.

Beatrice departed this life on October 5, 2016.
