“ So recent was a wonderful weekend with my Cous, Excitement for the time together, waited for my late night arrival to talk for hours about the Mayson family, insisting to drive to shop at both the African and the Arabic grocery store so we could cook in her kitchen - we made Three Dishes. She doing the prepping and I the cooking. My first edo soup cooking, with her laughing and anxiously awaiting how it would taste. She thought me well, it was delicious. She called me each day doing the week as she ate a bit of each dish. Loving and Missing You Cousin Bea 🙏 RIP
