“ *To the Edison Family, I have known Belinda for the past 20 years, we met at MGM 1999. She was very important to me. I had just spoke with Belinda Wednesday night of that same week she passed away. This was more than a shock, Belinda help me through my first dealings of having Breast Cancer 19 years ago called me twice a day every day for those 10 months I will never forget that and yet here I am again 19 years later going through Cancer once again I won't have her this time but she did know I was in battle again. Her strength I will keep in my heart. Belinda had such an enormous heart I will miss our late night talks. R. I. H. my friend.*
