“ *Words will never be enough to express the pain that I felt in my heart when I scrolled FB and learned of your passing. I was heart broken. Although you weren't my biological grandfather, you always treated and viewed me as your granddaughter, and I want to thank you for loving me with all that you had. You always wore a big smile that was very contagious to anyone that was around. That love and that smile will be missed by all the hearts that you loved and touched. Sleep peacefully in your new home for God has gained a beautiful soul. I love you Granddaddy Ben!!! R.I. P.*

Always, Sheila
