“ *Bishop Ben the most Anointed Powerful Spiritual Leader I have had the pleasure to be taught under. I said to him one day " Bishop why do the LORD tell you everything I do? You preach with such conviction" He say I preach with "Power"... and if you don't want me to hear it go pray in the closet." Bishop Ben was soo anointed he never missed a service where he did not speak into my life. He had such a prophetic ministry always so personable to all the members...Always encouraging and BELIEVING...BELIEVING... BELIEVING... BELIEVING GOD FOR EVERYTHING.... And giving GOD the GLORY for everything... "You never take credit for nothing.... YOU PRAISE GOD FOR EVERYTHING"...Thank you GOD for giving me the pleasure to experience this GREAT LEADER OF YOURS... WHO spoke over my life and changed it FOREVER...*

“ My Christian walk began in May of 2007. I met a young man in my mechanic shop that was on fire for Jesus! I was just looking for a church home being that I had found Joyce Meyer on tv & wanted to go to a place that preached like my "Spiritual Mama"! Well I was told that Bishop...at the time Pastor...was preaching at Crystal Gardens. So I went to find out what this person was speaking about so fervently! He was exactly right! My eldest daughter & I went & he spoke exactly what was going on in our lives! I had to get more!!! The atmosphere was contagious! Of course the enemy tried to stop me by saying "Redford campus" was too far from Detroit, but when I went & seen/ heard the choir.....I felt at home!!! I joined the choir later that year. Too shy at first...but found a church home like no other!!! I was preached to in ways that convicted me for my changes to be the WOV I am today! I now am engaged to my Boaz, Michael W. Gomez\*, whom is a Deacon of DWO! Who would of thought a girl from Southwest Detroit could get such amazing teaching & her man of God simply by "obeying God"! One of Bishop's sayings! So much more to say! Dr. C. has been such an inspiration & role model for all of us DWOITE SISTERS! We love & support u in all! The legacy our Spiritual Papa Gibert will live on! This I know!

“ *My love and condolences to the Gibert Family. May the Lord’s love, grace and comfort be with you all. I truly love Bishop Ben. He was a welcoming and encouraging Pastor ever since I joined Detroit World Outreach (DWO). Bishop Ben helped me to grow in faith and modeled a lifestyle of faith and godliness for me and others who knew him. Bishop Ben’s catch phrase during services at DWO, ‘can we talk,’ most always came with strong words of wisdom. Bishop Ben is awesome! As Bishop Ben often said and challenged members at DWO to do: move forward – and we will move forward in faith. Let’s remember the legacy Bishop Ben gave to all of us. May the Lord’s love, grace and mercy be with my church family at DWO.*
