“ One of my special memory of my step father Bennie was 4 years ago me and 2 of my sisters Mary and Tamicka came to visit at his house it was the first week of August and while we was all sitting at the table I said Bennie you know my birthday is coming up, he nod and said yes I know, caught by surprise I reply do you know what day it is and he thought for a brief moment and said August 22, right?...me and my sister Mary both reply you remember because myself and Mary share the same birthday month and day. Then I went a step farther by asking do you know how old I will be turning (mind you we didn't talk as much over the last past 10 years) and he said you're be turning 50...I had to pinch myself to hold back some of the tears that started to flow down my face...I love you Bennie, more than words can ever express ... Thank you God, for allowing Bennie to be a part of my life since I was 6 months....

“ Though your hearts must hold sadness right now, may it also hold the blessings of the love that will always be apart of you. Praying that God will comfort your hearts, uplift your spirit and carry you through this time of sorrow.
