“ *Donna*

My heart is heavy with the passing of BIG Ben, over the years i have truly enjoyed the visits and conversation's with him. In spite of what he was going thru with his health he always made sure Gi Gi and I were comfortable and welcome, it did not take long to realize we were all family. Donna i truly admire your strength, you were right there by his side catering to BIG Ben's need, you are truly a rock. Luv you Sis.

May God be with you and family

With all i love and prayers
