“ *Dr Bernadette Spencer was one of the nicest women you can ever meet.*

*I met her through her niece Carla, although she was a woman of very few words her smile was so infectious. I will never forget the holiday Christmas parties she would give every year in her department. Dr, Bernadette Spencer will never be forgotten at Wayne County Community College District.
May her spirit rest in peace. Patrice Staten*

“ Dr. Bernadette Spencer will be laid to rest on October 25, 2016, WCCCD's District Day. Can you think of a better day to celebrate her life and legacy, and what she represented to the District? She WAS the District! Her love of technology and the use of it so benefitted us as employees and the District as a whole. She was innovative, progressive, dedicated, brilliant, and extremely committed to advancing the District, again, through technology and ideas.

I cannot begin to state how important she was to me as a person and to my development as an employee. She pushed us to be better, she pushed our departments to be better. Her laugh, her sense of humor, her warrior spirit; are among the many traits that this phenomenal woman possessed. I will remember her always with much love and appreciation.

May God rest her soul..and bless her family and friends.
