“ I was so sorry to learn of the loss of Ms. Bertha....
Bertha was an employee of Medical City Dallas for almost 20 year. As an employee she was a delight to work with. She was such a caring and kind person and her joy in helping people came through in every phone call she answered. Many people had a better day after talking to Ms Bertha. She was the light in the room. In all the years I never saw her without a smile on her face and her wonderful laugh...a little giggle like a school child. She faced many hardships and suffered through them with her strong faith and positive attitude. She loved her family and spoke of them often.

The world has truly suffered a loss of this angel on Earth. All that knew her will truly miss her. Our thoughts and prayers are with the family during this difficult time.
