READING

Loss is a part of life. But because Jesus is "the resurrection and life," those who believe in Him will one day experience an end of all death and sorrow. In the meantime, He weeps with us over our losses and asks us to "weep with those who weep." Our compassion helps to heal the hearts of others while our Lord gives us strength and comfort to endure our losses.

I have been waiting to see my Lord for 89 years. I have had good and bad times; I have been happy, sad, afraid, lonely, uncertain, confused and lost. I have been in pain, a pain no one can really imagine. My wait is over now; I am home where I belong with our Lord. I am seeing the light from His face and oh, how beautiful it is! I am pain free and completely happy. I am at peace; it is well with my soul.

Love you all,
Bertha Marie Mary Elizabeth Love

“ *Sending our condolences with love to our friends and neighbors, the Love family.*

Mrs. Love shared a warm spirit and encouraging words to us as we grew up in the neighborhood, always in a good spirit. We thank God for sharing her with us, and we celebrate her life with the Grace that covers us all.
