“ Aunt Bertha,

*Thank you for your love, support, conversations, secrets, encouragement, long-distance air hugs, Blessings, and Prayers. You have ALWAYS been that beacon of light I needed when I was lost, and depressed.*

*You stepped in when my mother passed (when I was a little girl) and held me, squeezed me, rocked me, sang to me, Prayed for, and with me, helped guide me, and loved me only the way a mother could. I love you so, so much for this, and only God knows how much I will miss you.*

*You were like a mom to me, and even though we were thousands of miles apart, you were always there for me.*

*I love you, miss you, and my Spirit mourns for you.*

*Thank you for being a part of my life, and loving me.*

*God has gained an Arch Angel, and I Pray, and ask God that you remain as my Guardian Angel.*

*Sleep well sweet Princess. I love, and miss your entire being.*

*P.S.*

*I know your up there driving them men crazy. Behave yourself my sweet, sweet aunt.*

*I love you*

*Tracy*
