“ *Cuz.....I will always remember you being around me when I was a young kid. I never had a big brother in my life, but you periodically filled that role! For that, I am forever grateful, I will always keep your memories close, and celebrate the time I was privileged to spend with you!*

*Love you, and I will miss you dearly!!! See you soon*

“ Bert was a good friend and brother in Christ. We served in many Ministries together but our time in Deaf C.A.F.E. was so special. He loved to be part of the stage team! Such a talented man who would help anyone who needed it. Everytime I would come back to Michigan, I'd love visiting with him. He will be missed deeply and I know Heaven is a little sweeter now. I'll meet you with the Risen Son, our Lord, Jesus Bert!
